Discussion Items

- How to increase the role of School Council visibility in a high school setting. Ideas for discussion revolved around volunteering for events, setting up at registration, possibility of having an information table at the report card evenings. A different time was discussed. Dawn mentioned that some schools have school council meetings at lunch and in the evening. A student rep would be beneficial. How do we communicate to parents and market the concept of what a school council is to the parents of our school community. The opportunity to have virtual attendance and in person.
- Results of the report: sharing faith stories, learning more about Indigenous Education and sustaining Indigenous students in school and completing high school.
- Next meeting in September TBD, 2022, at 6:30 p.m. in the Library.
