Volunteer Position: Little Smiles Helpers

Type of Position: In person

Date: Saturday March 9, 2024

Time: 8:30 a.m. – 1:30 p.m.

Number of Hours: 5 hours

Volunteer Position Description

The “Little Smiles” program is a free community event that was designed to encourage a positive and fun way to introduce children of all ages to the world of dentistry. During this event, the clinic is decorated and staff are all in character as children get to try out and learn about the tools and gadgets at the dental office, meet the team, and participate in arts, jumpy castle fun and games!

Each Little Smiles Day throughout the year has a different theme – this upcoming event is for Spring Celebration! This is always just as much fun for our team as it is for the little ones, and we couldn't be more excited to see the reactions from children and families alike!

We are looking for individuals that are outgoing, assertive when needed, patient, welcoming, and enjoy working with children. It is a bonus if students have completed babysitting courses and CPR/first aid.

Volunteer Tasks

- Supervise children while they are taking part in the following stations:
 - o Bouncy House
 - Make sure there are only three children in the bouncy house at a time
 - Make sure kids are taking their shoes off
 - o Crafts
 - Distribute crafts
 - Make sure station remains tidy
 - Help children with their crafts when needed
 - o Polaroid Pictures
 - Take pictures of each child that is going to the dental chair for their certificate

Why Volunteer with us?

- Make a positive and unforgettable impact on children that have never been to the dentist
- Give back to your community
- Fulfill high school community volunteer requirements
